Admission For International Students IIIT-Delhi

About Our Institute

Indraprastha Institute of Information Technology, Delhi (aka. IIIT-Delhi or IIIT-D) was created as a State University by an act of Govt. of NCT of Delhi (The IIIT Delhi Act, 2007) empowering it to do research and development, and grant degrees. In a relatively short time, it has earned an excellent reputation in India and abroad for being a center of quality education and research in IT and interdisciplinary areas. [Know More](#)

Our Programs

IIIT-Delhi takes pride in providing interdisciplinary education options to our international students by providing them a platform where knowledge meets achievement; history meets future and ambitions meets inspiration.

B.Tech.

Objective of the B.Tech. program at IIIT-Delhi is to develop students, such that they are well prepared with the necessary core competencies, problem solving, and innovation skills needed to succeed in engineering, and entrepreneurship careers.

M.Tech.

IIIT-Delhi subscribes to the view that a Master degree is primarily industry-focused, though it can be used as a stepping stone for research as well.

Ph.D.

The Ph.D. program at IIIT-Delhi is focused towards research like any other Ph.D. program - limited coursework to enhance the breadth and depth of a student, followed by focused research.
