Ph.D. Admissions

The Ph.D. program at IIIT-Delhi is focused towards research like any other Ph.D. program - limited coursework to enhance the breadth and depth of a student, followed by focused research. Admissions are made through Regular admission process as well as Rolling mode. Regular Admissions for all disciplines are made in Feb-April and Sep-Nov every year. Regular Round of Ph.D. admissions April 2025 are closed now.(Click here for details) Rolling Admissions (Click here for details) The goal of the Ph.D. program at IIIT-Delhi is to empower students to become part of the global research ecosystem, and contribute to research organizations and top class universities across the world. The program is based on the best practice models at top universities across the world. For details about the program, refer to this document. Some of the key features of our Ph.D. program are listed below. Contact: For general queries, please refer to the frequently asked questions.
