Details Regarding Summer Internships 2025

We are looking for some students/researchers to work with, who can help us with the projects and problems we are currently working on. If you think you are passionate about the kind of work we do and keen on contributing, please have a look at the requirements/positions in the table below. If you find a project of your interest, please apply here (5th March 2025) for the project you are interested in. Depending on your skills and expertise, you will be compensated for the time that you are spending on the project. Please do not apply for more than three projects. The last date to apply is 31st March 2025. The students who get selected for the summer internship at IIIT-Delhi will be receiving a stipend of 5k per month..
